THE TERMS AND CONDITIONS OF THIS END USER LICENSE AGREEMENT (HEREINAFTER "AGREEMENT") GOVERN YOUR USE OF THE SOFTWARE PROVIDED BY QOLSYS, INC. (HEREINAFTER "QOLSYS").

Qolsys is willing to license the Software to you on the condition that you accept all of the terms contained in this Agreement. By installing or using the Software, you indicate that you understand this Agreement and agree to all of its terms. If you are accepting the terms of this Agreement no behalf of a company or other legal entity, you represent and warrant that you are authorized to bind that company or other legal entity to the terms of this Agreement, and, in such case, "you" and "you" shall refer to the company or other legal entity. If you do not accept all of the terms of this Agreement, Qolsys is not willing to license the Software to you, and you are not authorized to use the Software. "Documentation" means Qolsys' current, generally available documentation for the use and operation of the Software.

- 1. License Grant. Subject to your compliance with the terms and conditions of this Agreement, Qolsys grants you a revocable, non-exclusive, non-transferable, non-negotiable license to use the Software solely as previously integrated or installed into Qolsys products and solely for your personal, non-commercial use. Qolsys reserves all rights to the Software not expressly granted in this Agreement. As a condition of this license, Qolsys may collect, use, and share with engineering and marketing partners certain information about your Qolsys Products and how you use them.
- 2. Restrictions. Your use of the Software must be in accordance with its Documentation. You shall be solely responsible for ensuring that your use of the Software complies with all applicable foreign, federal, state, and local laws, rules, and regulations. Except for the rights provided with respect to the open source software included herein or as otherwise expressly specified in this Agreement, you may not: (a) copy, modify (including, without limitation, adding new features or making adaptations that alter the operation of the Software), or create derivative works from the Software, including, but not limited by the terms of this Agreement. You acknowledge and agree that portions of the Software, including, but not limited to, the source code and the specific design and structure of individual modules or programs, constitute or contain trade secrets of Qolsys and its licensors. Accordingly, you agree not to disassemble, decompile, or reverse engineer the Software, in whole or in part, or to permit or authorize any third party to do so, except to the extent such activities are expressly permitted by law notwithstanding this prohibition. The Software may be subject to additional terms and restrictions of use, as specified in the Documentation, which terms and restrictions are incorporated into and made a part of this Agreement. Under no circumstances will Qolsys be liable for any use or results obtained from the Services, in conjunction with any services, software, or hardware not provided by Qolsys. All such use is at your own risk and responsibility.
- 3. Intellectual Property. Your copy of the Software is licensed, not sold. You own the Qolsys product into which the Software is embedded, but Qolsys and its licensors retain ownership of the copy of the Software, including all intellectual property rights therein. The Software is protected by United States intellectual property law and international treaties. You will not remove or alter in any way any copyright, trademark, or other proprietary rights notices or markings appearing on the Software delivered to you. This Agreement does not grant you any rights related to any trademarks or service marks of Qolsys, its affiliates, or its suppliers.
- 4. Maintenance, Support, and Updates. Qolsys is not obligated to maintain, support, or update the Software in any way, or to offer any updates or bug fixes. However, if bug fixes, maintenance releases, or updates are offered by Qolsys, its licensors, or a third party, these fixes, releases, or updates are and will be considered "Software" and will be subject to the terms of this Agreement, unless you receive a separate license from Qolsys for that release or update that supersedes this Agreement.
- 5. Subsequent Agreement. Qolsys may also replace this Agreement with a Subsequent Agreement so that it can provide you with any components or versions, updates, or other modifications in addition to the Software. Likewise, to the extent the terms of this Agreement conflict with any prior or other Agreement between you and Qolsys regarding the Software, the terms of this Agreement shall prevail.
- 6. Termination. The license granted under this Agreement remains effective for a period of 75 years unless terminated earlier in accordance with this Agreement. You may terminate the license at any time by destroying all copies of the Software in your possession or control. If you violate any term of this Agreement, the license granted under this Agreement will terminate automatically, with or without notice from Colsys. In addition, either party may, in its sole discretion, elect to terminate this Agreement by written notice to the other party, either in the event of the bankruptcy or insolvency of the other party, by the commencement of any voluntary or involuntary liquidation, or by the filling of any petition for the winding up of the other party. Upon termination or expiration of this Agreement, the license granted in Section 10 will automatically terminate, and you must, at Colsys' option, promptly destroy or return to Colsys all copies of the Software in your possession or control. At Colsys' request, you will provide Colsys with a signed, written statement confirming that the Software has been permanently removed from your systems.

- 8. Limitations of Liability. QOLSYS' TOTAL LIABILITY TO YOU FOR ALL CAUSES OF ACTION AND UNDER ALL THEORIES OF LIABILITY SHALL BE LIMITED TO \$100. IN NO EVENT SHALL QOLSYS BE LIABLE TO YOU FOR ANY SPECIAL, INCIDENTAL, EXEMPLARY, PUNITIVE, OR CONSEQUENTIAL DAMAGES (INCLUDING LOSS OF PROPERTY, DATA, OR BUSINESS INTERRUPTION) OR FOR THE COST OF PROCUREMENT OF SUBSTITUTE PRODUCTS ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, OR THE PERFORMANCE OR PERFORMANCE OF THE SOFTWARE, WHETHER SUCH LIABILITY ARISES FROM ANY CLAIM BASED ON CONTRACT, WARRANTY, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY, OR OTHERWISE, AND WHETHER OR NOT QOLSYS WAS ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. POSSIBILITY OF SUCH LOSS OR DAMAGE. THE LIMITATIONS SET FORTH ABOVE WILL SURVIVE AND APPLY EVEN IF ANY LIMITED REMEDY SPECIFIED IN THIS AGREEMENT FAILS OF ITS ESSENTIAL PURPOSE. Some jurisdictions do not allow the limitation or exclusion of liability for incidental or consequential damages, so the above limitation or exclusion may not apply to you.
- 9. U.S. Government End Users. The Software and Documentation are "commercial items" as that term is defined in FAR 2.101, consisting of "commercial computer software" and "commercial computer software documentation," respectively, as those terms are used in FAR 12.212 and DFARS 227.7202. If the Software and Documentation are acquired by or on behalf of the U.S. Government as defined in FAR 12.212 and DFARS 227.7202-1 through 227.7202-4, as applicable, then the U.S. Government's rights in and to the Software and Documentation will only be as specified in this Agreement.
- 10. Export Law. You agree to fully comply with all U.S. export laws and regulations to ensure that neither the Software nor any related technical data or any direct product is exported or re-exported, directly or indirectly, in violation of, or used for any purpose prohibited by, these laws and regulations.
- 11. Open Source and Third-Party Code. Portions of the Software may be subject to certain third-party license agreements, which govern the use, copying, modification, redistribution, and warranty of these portions of the Software, including what is commonly referred to as "open source" software. Such portions of the Software are governed solely by the terms of that other license, and no warranty is provided under this Agreement for open source software. By using the Software, you also agree to the terms of such third-party license. If provided for in the applicable third-party license, you may have the right to reverse engineer such software or receive the open source code for such software for use and distribution in any programs you create, provided that you agree to comply with the terms of the applicable third-party license and your programs are distributed under the terms of such license. If applicable, you may obtain a copy of such open source code free of charge by contacting your Qolsys agent. This Agreement should not be construed as limiting any rights you may have with respect to the Linux operating system and other third-party technology or software licensed under open source or similar license terms. Please see our website at www.qolsys.com for a list of such components and their respective license terms.
- 12. Confidentiality. You acknowledge that the ideas, methods, techniques, and expressions contained in the Software (collectively, "Qolsys Confidential Information") constitute Qolsys' confidential and proprietary information, the unauthorized use and disclosure of which would be detrimental to Qolsys. You agree to maintain the Software and Qolsys Confidential Information in the strictest confidence, disclosing information only to authorized employees who must have access to it in order to perform under this Agreement, and using such information in order to perform under this Agreement, and otherwise, to ensure that employees who must have access to this information in order to perform under this Agreement are informed that the Software and Qolsys Confidential Information are Qolsys' confidential and proprietary information, and to ensure that such information is not misused or disclosed without authorization. You may disclose Qolsys Confidential Information if required to do so by any government agency, court of law, or other competent authority, provided that you provide Qolsys with written notice of such request prior to disclosing such information and cooperate with Qolsys in obtaining a protective order. Before disposing of any media displaying or on which any Software is stored or placed, you will ensure that any Software contained therein has been securely erased or destroyed. You acknowledge and agree that a remedy at law for damages will not be adequate to fully compensate Qolsys for any breach of Sections 1, 2, 3, or 12. Therefore, Qolsys will be entitled to injunctive relief against you without the need to prove actual damages and without having to post a bond or other security. Injunctive relief will not in any way limit any other remedies Qolsys may have resulting from your breach of the foregoing Sections or any other provision of this Agreement.
- 13. Data Collection and Use. You acknowledge and agree that the Software and/or hardware used in connection with the Software may collect data derived from or related to your use of the Software and/or hardware (hereinafter, "Data") for the purposes of providing you with service/product recommendations, benchmarking, energy monitoring, maintenance, and support. Qolsys shall be the exclusive owner of all Data. Qolsys shall have the right to de-identify your Data so that it does not directly or inferentially identify you (hereinafter, "De-Identified Data"). In the event that Qolsys does not own or is prevented from using the De-Identified Data as a result of applicable law, contractual obligations or commitments, you grant Qolsys a non-exclusive, perpetual, irrevocable, fully-licensed, royalty-free license to use, copy, distribute, and otherwise exploit the statistical and other data derived from the use of the De-Identified Data for Qolsys' business purposes.
- 14. Feedback. You may provide suggestions, comments, or other feedback (hereinafter, "Feedback") to Qolsys regarding its products and services, including the Software. Feedback is voluntary, and Qolsys is under no obligation to keep it confidential. Qolsys may use this Feedback for any purpose without obligation of any kind. To the extent a license is required under your intellectual property rights to use Feedback, you grant Qolsys an irrevocable, non-exclusive, perpetual, worldwide, royalty-free license to use the Feedback in connection with Qolsys' business, including improving the Software and providing products and services to Qolsys customers.
- 15. Government Restrictions. This Software may be subject to additional restrictions and conditions under applicable local, state, and federal laws, rules, and regulations. It is your responsibility to determine which laws, rules, and/or regulations apply to your use of the Software, and to comply with such laws, rules, and/or regulations when using the Software.
- 16. General. This Agreement shall be governed by and construed in accordance with the laws of the State of California, without regard to or application of any conflict of laws rules or principles. The United Nations Convention on Contracts for the International Sale of Goods shall not apply. You may not assign or transfer this Agreement or any of the rights granted hereunder, by operation of law, without Oolsys' prior written consent. Any attempt to do so without such consent will be voited. Qolsys has the right to assign this Agreement unconditionally. Except as expressly set forth in this Agreement, the exercise by either party of its remedies under this Agreement will not constitute a waiver of future enforcement of that or any other provision. If any provision of this Agreement is held to be unenforceable or invalid, that provision will be enforceable to the maximum extent possible, and the remaining provisions will remain in full force and effect. This Agreement is the complete and exclusive understanding and agreement between the parties relating to its subject matter, unless you and Qolsys have executed a separate agreement governing the use of the Software.
