

PSU1250-D4-D

Distribution system 5A to 4ch

Designed with 6A overload protection

Adjustable voltage output for long-distance transmission distances

Worldwide range voltage , AC100V to AC240V

LED indicator

Specs

Model No.	PSU1250-D4-D
Input voltage	100-240VAC
Output voltage	DC 12V ~ 13.8V
Salida de corriente	12V 5A/13.8V 4.34A
Output power	60W
Efficiency	>80%
Operating temperature	-30°C ~ 45°C
Ambient temperature	20%~90% RH
Humidity	95RH
nominal input voltage	220VAC
Input voltage range	100-240VAC
Input current	1.6A
Input frequency range	50/60Hz
Voltage regulation	12V~13.8V DC
Voltage with load	11.6V~13.2V DC
Product dimensions	151×55×35mm
