

LC-L2ST

Swivel wall bracket for LC-2xx series motion sensors

TVC code: DSC1220037

Optional mounting accessory

Description

The LC-L2ST is an optional mounting bracket for DSC LC-2xx series motion sensors. Its swivel design lets you mount the sensor on a wall and aim it at the area to be protected when mounting it flat on the wall or in a corner is not practical. It is a mechanical accessory with no electrical parts.

Features

- Wall mounting with swivel adjustment to aim the sensor.
- Designed for DSC LC-2xx series motion sensors.
- Makes it easier to achieve correct coverage without relocating the sensor.
- Optional accessory: sold separately from the sensor.
- Replaces the previous LC-L1ST model.
